## THE TRAIL AND ENDURO CLUB NEEDS YOUR MEMBERSHIP!

Why? For lots of reasons!

1. More members, means more great events to ride, more riders means more helpers and organisers, which means more FUN!!!
2. To protect our riding areas. There is a lot of pressure from groups to reduce the areas we can ride. We need your membership to give our club a stronger voice to protect our riding areas for the future of our sport.

For a small annual fee of \$80 you get...

1. To ride in some of the best riding country in the state as part of an organised motorcycle event. From Trail and Enduro to Natural Terrain and Pony Express, we've got it all.
2. Regular Newsletters, appropriately called the "Dirty News", keeping you informed of all the events and what's happening during the year.
3. A discount (usually around 10%) at most bike and accessory shops throughout the state.
4. Regular social get togethers, Bike Displays, Latest Product Nights, Tyre Changing Competitions and lots more. Get to socialise with a bunch of guys & girls who enjoy getting dirty as much as you do.
5. Specialised Trail and Enduro Schools with Australian champion riders, coaching you to improve your riding skills, exclusive to T&E Members.
